

Job title: Oregon Conservation Network Intern

The Oregon Conservation Network is looking for an unpaid intern to support the Director of the Oregon Conservation Network.

To protect and enhance the health of Oregon's environment, the Oregon Conservation Network brings together the conservation community and builds political power to translate environmental priorities into laws that protect Oregon's natural legacy. In 2011, OCN will focus on passing Priorities for a Healthy Oregon, while defeating any Major Threats that develop during the session.

Starting date: ASAP

Primary Job Responsibilities:

- Coordinating and help with recruitment for a January rally/media event in Salem
- Working with the groups/coalitions behind each OCN Priority to facilitate grassroots contact with legislators (mini-Lobby Days, phone banking, canvassing, etc.).
- Researching policy and tracking key bills
- Maintaining the OCN database
- Creating web content and using social media tools

Capabilities preferred:

- Experience recruiting, managing, and working with volunteers
- Knowledge of environmental issues and Oregon environmental groups
- Demonstrated writing experience, particularly for email/web
- Experience working with coalitions
- Experience working with computers, including database, CMS and email technology

Please send resume and cover letter to: meredith@olcv.org.
